

I'm worried about my child falling behind while school is closed.

I wish we could get a tutor to help me!

You can! It's time to meet your family's very own summer reading coach!

Springboard Learning Accelerator is a 4-week program that pairs families with tutors to help kids become stronger readers and help parents sharpen their teaching skills.

Your tutor will help your child reach reading goals while helping you become a more confident reading coach at home.

We even have a rewards program so your child could win a backpack and school supplies, all just for showing up and trying their best!

Hurry! Limited spaces available—first come, first served!

Application deadline: June 11
