

Closing the literacy gap by closing the gap between home and school

What we do

Springboard Collaborative coaches families and educators to help PreK/TK to 3rd grade students read on grade level.

We train your teachers to run a 5-10 week literacy and family engagement program:

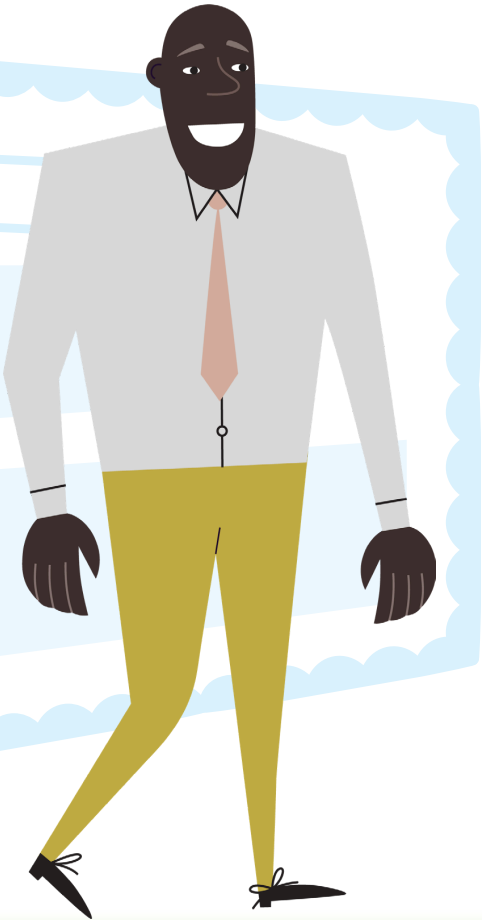

Small-group literacy instruction aligned to the Science of Reading

Workshops that support families in becoming at-home reading coaches

Professional development for teachers and leaders

CUSTOMIZED PROGRAMS

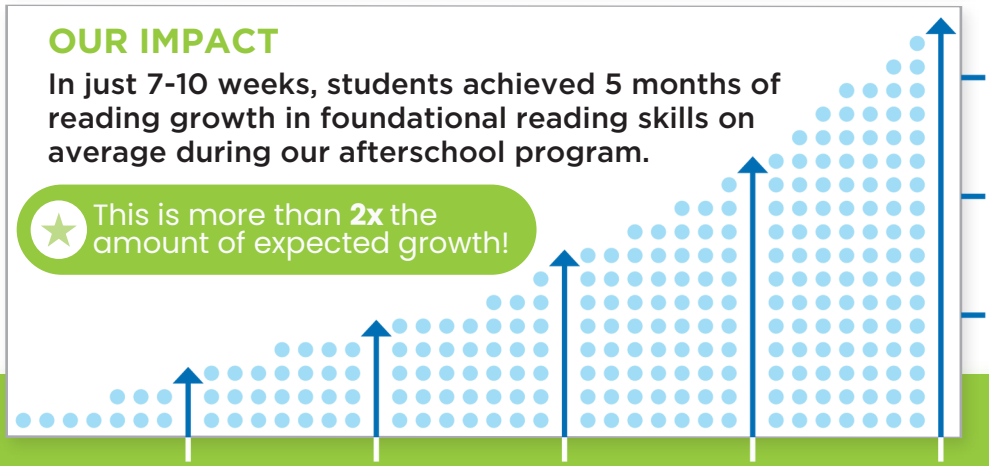

- High-dosage tutoring programs
- Afterschool programs
- Up to half-day summer reading programs

In just 7-10 weeks, students achieved 5 months of reading growth in foundational reading skills on average during our afterschool program.

★ This is more than **2x** the amount of expected growth!

AY 2023-2024, we served **35,460** students at **314** schools
